

**Campbell Junior Basketball Program
Parent and Player Contract
2020-2021 Basketball Season**

Congratulations on making a team in the Campbell Junior Basketball program! If you are new to the program, please be aware that this is a highly competitive, extremely time-consuming commitment. You will be committed to basketball from now until sometime in March. We play in tournaments during school breaks, including but not limited to Christmas and MLK holiday. Tournaments are at your coach's discretion.

The purpose of this program is to teach student-athletes the fundamentals of basketball and prepare them to play for Campbell High School. If you plan to play for a school other than Campbell, we ask that you not take a spot from an athlete with a potential future with Campbell.

Team Rules & Guidelines:

Fees: The 2020-2021 fees are \$340 for all players. The preferred method of payment is through #Cashapp(\$CampbellJrBasketball), however CHECKS will be accepted...no cash please! This fee covers the many hours of training, tournament fees, program overhead, holiday party, end-of-season banquet, uniform, equipment, etc. Coaches are 100% volunteers. They are not paid nor do they receive any kind of stipend. So, all fees must be paid in a timely manner. Fee collection begins as soon as your team makes final cuts, please see your team Mom when this payment is made. Krispy Kreme fundraiser orders will be set up by Corey Battle, Treasurer, the week of our Mandatory Parent Meeting. Coaches do not handle money.

In order for your student athlete to get certified by the CCJBC, you must first be fully registered by submitting all forms, documents, and full payment. Teams with uncertified players on the roster risk forfeiting all games played, therefore ONLY certified players will be on the roster.

Uniforms: You are responsible for your own uniform once it is handed out. If you lose it or damage it, you will be responsible for replacing the uniform at full cost, which could be up to \$75. Please have a change of clothes after your last game of the season. Depending upon the coach, your student athlete may be required to hand in his/her uniform after each game to the team parent.

Grades: Your student athlete is required to maintain good grades at all times. Campbell athletes are students FIRST! All student-athletes are required to turn in their progress/report card for each grading period. Our program requires that student-athletes maintain good grades (running drills, suspension from games, dismissal from team) are some tools used to get the athletes attention.

Playing Time: There is one simple rule when it comes to playing time. It's earned. Showing up late to practice, missing practice and loafing in practice are the quickest ways to ensure that you will not receive any playing time. Playing time is awarded at the coach's discretion. Student-athletes are required to speak to his/her head coach face-to-face to discuss any issue or playing time prior to any parent speaking to the coach. The coaches will not speak to any parent if the student athlete has not spoken to his/her coach first. Our purpose is to educate, the goal is to win. Playing time is earned. Playing time will not always be distributed evenly. Attitude, commitment, desire, and skill are all taken into consideration along with how you participate in practice. If your student-athlete does not perform in practice, please do not expect the coaches to put him/her in the games. Parents are asked not to attend practices only team mom and another parent on a rotation manner my attend, in other words...practices will be close!

Attendance: We will practice a lot! You are required to be at every practice at least 5 minutes before practice begins. If you have any issues, please communicate directly with your coach. Excessive absences may result in dismissal from the team.

Only the following are excused absences:

- Contagious illness, please do not come to practice. If you simply have a headache, don't feel well or are injured, you are still required to attend practice and watch from the sidelines.
- School related activities such as chorus concerts, band concerts, awards banquets, etc.
- Extreme circumstances...Death in the family, parent illness, etc.
- Other sports...You will be allowed to miss practice due to a fall sport until completion. After that, you are required to attend every scheduled basketball game and practice.

Games: Parents are expected to enforce a sense of commitment to the program by scheduling around practice times and games. You are required to be at all games at the designated time given to you by your coach. This will normally be between 45 minutes to an hour prior to the scheduled start time. If you are late to the facility at the time you coach advised you to be there or late to the actual game, playing time is at the discretion of your coach and he or she will decide if or when the student athlete gets to play. PLEASE!!! Do not scream at, shout at, or chase down an official for not making a call that you wanted. They can...and will ask the gym director to have you removed. We will not tolerate an out of control fans...your athlete is watching you.

Misconduct: We have a VERY low tolerance for misconduct from both players and parents.

- Players will be disciplined for disrespect to teammates, coaches, or referees.
- No bullying or fighting will be tolerated.
- Cursing and foul language is prohibited.

Parents, you are considered active participants in our program and are encouraged to get involved by encouraging and cheering on your student-athlete and teammates.

Parents, your actions will affect your student athlete. If there are ANY incidents in the stands between parents, whether it be between Campbell parents or Campbell parents and the opposing team, those involved will be escorted out of the gym AND your student athlete will be removed from the bench for the remainder of the game. If there is a second incident, in addition to you and your student athlete being removed from the gym, you will be suspended from attending the next two games. If there is a third incident, your student athlete will be dismissed from the team. If for any reason the parent refuses to leave the gym, the local police will be called and the parent will be escorted out of the gym.

Again, your actions will affect your student athlete. Negativity and dissent among the parents can kill a great team. Excessive gossiping and inciting will not be tolerated. While we do not expect you to agree with every decision that the coaching staff makes, we do ask that you respect the coaches enough to understand that they are doing what they feel is best for the team. The coaches will never do anything to deliberately hurt your student-athlete.

Communication: Communication is KEY!!! If you have a question for the coaching staff, please start by approaching the team parent. He/she can answer many questions that you may have. If there are any questions that he/she cannot answer, please feel free to send your student athlete's coach an email. DO NOT approach the coaching staff before, during, or after games with questions about playing time and/or game strategy. If you should have a question about your student athlete, please communicate with the coaches via email.

Parents and student athletes are expected to uphold the rules of this contract. Consequences will be delivered when rules are broken. Campbell Junior Basketball reserves the right to remove a student athlete from any roster without refund if parents/guardians and student-athletes do not abide by the rules of this contract.

(Please detach this page, sign and submit to the Campbell Jr. Basketball administration.)

Signing below indicates that you agree to follow and abide by all rules listed in the 2017-2018 Player and Parent Contract for the Campbell Jr. Basketball program.

Parent/Player acknowledges that player is in good health and good physical condition and understands that there are risks inherent in any physical activity. Parent/Player assumes the risks and accepts the consequences involved in participation in this program. In the event of illness or injury to the Player, Parent gives consent to have any treatment deemed necessary by a local licensed physician or dentist and the transfer of the Player to a nearby hospital, if necessary.

Please list below any medical history, including allergies, medications being taken, and physical impairments of the Player (if n/a, please state none).
