

Game Schedule —

Campbell Junior Basketball competes in the **Cobb County Junior Basketball Conference (CCJBC)**. All teams follow the official CCJBC season structure, which includes weekend games, league standings, and postseason tournaments.

When Games Are Played

- **Games are played on Saturdays and Sundays** throughout the season
- Some teams may have an occasional **weeknight** game depending on gym availability
- Game times vary by grade level and host school
- Coaches will share weekly game schedules as soon as they are approved.

Parents should expect **one to two games per weekend**, with occasional bye weeks or double-headers.

How the CCJBC Season Works

The CCJBC season is organized into three phases:

1. Regular Season

- Begins in **November** and runs through **January**
- Teams compete against other CCJBC programs across Cobb County
- Standings are based on win/loss records
- Each team plays a set number of conference games determined by CCJBC

2. League Tournament

- Held in **late January or early February**
- Top eight teams participate from each region
- Single-elimination format
- Seeding is based on regular-season standings

3. Championship Weekend

- The final rounds of the tournament
- Hosted at designated CCJBC sites
- Grade-level champions are crowned for the season

Communication of Game Schedules

Once the Director finalizes the official schedule:

- Coaches will send out weekly game times and locations
- Parents will receive updates through email, team group chats, or the coach's preferred communication method
- Any changes due to weather, gym conflicts, or CCJBC adjustments will be communicated immediately

Campbell Junior Basketball is committed to keeping families informed and ensuring a smooth, organized game experience throughout the season.
