

Who can participate in the program, and what attendance zone requirements apply?

Our program is open to students who **live in or attend school within the Campbell High School attendance zone**. This includes all feeder elementary and middle schools assigned to Campbell High School by Cobb County School District.

Players must meet **one** of the following:

- **Live inside the Campbell attendance zone**, or
- **Attend a school that feeds into Campbell High School**, even if they live outside the zone.

These requirements help ensure that our teams represent the Campbell community and follow CCJBC eligibility guidelines.

If a family is unsure whether their address or school qualifies, we're happy to help them verify it quickly.
