

Registration & Tryouts

How do I register for tryouts

Parents must download the **Player Registration Form** from our website and bring the completed form **in person** to tryouts. Forms are handed directly to the coach of the team your child is trying out for.

Does registration guarantee a spot on a team

No. Campbell Junior Basketball is a **tryout-based program**. Players must earn a roster spot through evaluations.

What forms are required

Families must submit the registration form, medical/emergency contact information, liability waiver, and proof of grade/school enrollment.
