

Why Refunds Are Not Offered

Program fees immediately cover:

- Uniform orders
- CCJBC league fees
- Referee and gym costs
- Program operations and equipment

These expenses are paid upfront for each rostered player and cannot be recovered if a player chooses to leave the program.

Before Team Selection

No payment is required before tryouts. Because families do not pay until after a player is selected, there is **no need for refunds prior to team placement**.

After Team Selection

Once a player is selected and the season fee is paid:

- **All fees are non-refundable**
- **No refunds are issued if a player withdraws**, regardless of reason
- This policy applies to all grade levels and all teams within Campbell Junior Basketball
