8th Grade Girls Team Tryout Results

Parents and Athletes,

Congratulations to all athletes who participated in the Campbell Junior Basketball 7th Grade Girls tryouts. We appreciate the effort, enthusiasm, and competitive spirit displayed throughout the evaluation process.

This year, more than **200 athletes** tried out for a limited number of roster spots across the Campbell Junior Basketball program. The selection process was extremely competitive, and we recognize the commitment shown by every player.

If your name appears on the roster below, **please report to the Pearson Middle School Gym on Wednesday, September 2, at 7:30 PM** for our team meeting. Attendance is important as we will discuss the season, distribute important information, and outline expectations for players and parents. Fundraising opportunities and other very important topics will be discussed at the programs parent meeting set for September 12th at 1PM at Gwyn-McClure gymnasium.

If your name does not appear on the roster, please don't be discouraged. Not making a team today does not define your future as a basketball player or other activities you may choose. Many outstanding athletes have faced setbacks before achieving success. Continue working on your skills, competing, and growing both on and off the court.

We encourage you to consider the following opportunities to continue your development:

- The Osborne Junior Cardinals tryouts Osborne Hi (9/5 & 9/12 at 9 am)
- Participate in local recreation leagues. (SBA (678 612 6591)
- Join a basketball training or skills development program.

Call Coach Bridgeforth 770 912 6342 or Call Coach Fields 470 496 3713

- Play AAU basketball during the spring and summer.
- Attend basketball camps and clinics.
- Stay committed to practicing your fundamentals and physical conditioning.
- Plan to return and compete in future Campbell Junior Basketball tryouts.

Thank you to every player and family for your interest in Campbell Junior Basketball. We appreciate your support and wish each athlete continued success throughout the basketball season.
