

Campbell Junior Basketball Program

Parent and Player Contract

2026-2027 Basketball Season

Congratulations on joining the Campbell Junior Basketball program! This program is highly competitive and requires significant time commitment from now through March. Teams may participate in tournaments during school breaks, including Christmas and MLK holidays, at the coach's discretion.

This program teaches student-athletes basketball fundamentals and prepares them to play for Campbell High School. If you plan to attend another school, please do not take a roster spot from an athlete who may continue with Campbell.

Important Date: Parent Meeting — 09/12/26, time 1 pm, at Campbell High School in the Gwyn/McClure Gym.

Fees and certification information are due on or before 09/12/26. If installments are needed, the first payment of \$350.00 is due on 09/12/26, and the second payment is due on 10/23/26.

Team Rules & Guidelines:

Fees: The 2026–2027 fee is **\$700.00 for all players**. The preferred payment method Zelle (gkrets@att.net) credit cards.. **No checks or cash will be accepted.** This fee covers training, tournament fees, program expenses, holiday party, end-of-season banquet, equipment, and related costs. Coaches are volunteers and are not paid, so fees must be paid on time. Fee collection begins after final team cuts and is due by 09/11/26. Please notify your team parent when payment is made so it can be recorded. Fundraisers are available to help with payments.

To be certified by the CCJBC, each student-athlete must submit all required forms and documents and pay all fees in full. Teams with uncertified players risk forfeiting games; therefore, only certified players will be placed on the roster.

Uniforms: If your team does not purchase team uniforms, you are responsible for your uniform once it is issued by the program. Lost or damaged uniforms must be replaced at full cost, up to \$75. Please bring a change of clothes for after the final game of the season. Depending on the coach, student-athletes may be required to return uniforms to the team parent after each game.

Grades: Student-athletes must always maintain good grades. Campbell athletes are students first. All student-athletes must submit their progress reports or report cards for each grading period. If grades do not meet program expectations, consequences may include running drills, game suspension, or dismissal from the team.

Playing Time: Playing time is earned and awarded at the coach's discretion. Arriving late, missing practice, or not giving full effort are the quickest ways to lose playing time. Student-athletes must speak with the head coach face-to-face about any concerns before a parent contacts the coach. Our purpose is to educate, and our goal is to win. Playing time may not be equal and is based on attitude, commitment, effort, skill, and practice performance. If a student-athlete does not perform in practice, parents should not expect game playing time. Parents should not attend practices unless assigned as the team parent or as part of an approved rotation. Practices are closed.

Attendance: Teams will practice often. Student-athletes must arrive at least five minutes before each practice begins. If an issue arises, contact the coach directly. Excessive absences may result in dismissal from the team.

Only the following absences are excused:

- Contagious illness. Please do not attend practice if you are contagious. If you have a headache, feel unwell, or are injured, you are still expected to attend and watch from the sidelines.
- School-related activities, such as chorus concerts, band concerts, awards banquets, and similar events.
- Extreme circumstances, such as a death in the family or parent illness.

- Other sports. Student-athletes may miss practice for a fall sport until that season ends. Afterward, they are expected to attend every scheduled basketball game and practice.

Games: Parents are expected to support commitment to the program by scheduling around practices and games. Student-athletes must arrive at games at the time set by the coach, usually 45 to 60 minutes before tipoff. If a student-athlete arrives late to the facility or game, playing time is at the coach's discretion. Please do not yell at, confront, or chase officials over calls. Officials may ask the gym director to remove disruptive spectators. Poor fan behavior will not be tolerated, and parents may be fined \$250.00, which must be paid before attending future games.

Misconduct: The program has a very low tolerance for misconduct by players or parents.

- Players will be disciplined for disrespect to teammates, coaches, or referees.
- No bullying or fighting will be tolerated.
- Cursing and foul language is prohibited.

Parents are active participants in this program and are encouraged to support all student-athletes through positive cheering and encouragement.

Parents, your actions will affect your student athlete. If there are ANY incidents in the stands between parents, whether it be between Campbell parents or Campbell parents and the opposing teams, those involved will be escorted out of the gym AND your student athlete will be removed from the bench for the remainder of the game. If there is a second incident, in addition to you and your student athlete being removed from the gym, you will be suspended from attending the next two games. If there is a third incident, your student athlete will be dismissed from the team. If for any reason the parent refuses to leave the gym, the local police will be called, and the parent will be escorted out of the gym.

Again, your actions will affect your student athlete. Negativity and dissent among the parents can kill a great team. Excessive gossiping and inciting will not be tolerated. While we do not expect you to agree with every decision that the coaching staff makes, we do ask that you respect the coaches enough to understand that they are doing what they feel is best for the team. The coaches will never do anything to deliberately hurt your student-athlete.

Communication: Communication is KEY!!! If you have a question for the coaching staff, please start by approaching the team parent. He/she can answer many questions that you may have. If there are any questions that he/she cannot answer, please feel free to send your student athlete's coach an email. DO NOT approach the coaching staff before, during, or after games with questions about playing time and/or game strategy. If you should have a question about your student athlete, please communicate with the coaches via email.

Parents and student athletes are expected to uphold the rules of this contract. Consequences will be delivered when rules are broken. Campbell Junior Basketball reserves the right to remove a student athlete from any roster without refund if parents/guardians and student-athletes do not abide by the rules of this contract.

(Please detach this page, sign, and submit to the Campbell Jr. Basketball administration.)

Signing below indicates that you agree to follow and abide by all rules listed in the 2026-2027 Player and Parent Contract

for the Campbell Jr. Basketball program.

Parent/Player acknowledges that player is in good health and good physical condition and understands that there are risks inherent in any physical activity. Parent/Player assumes the risks and accepts the consequences involved in participation in this program. In the event of illness or injury to the Player, Parent gives consent to have any treatment deemed necessary by a local licensed physician or dentist and the transfer of the Player to a nearby hospital, if necessary.

Please list below any medical history, including allergies, medications being taken, and physical impairments of the Player

(If n/a, please state none).
